SCHOOL NEWSLETTER TERM 4, WEEK 9

1.12.15

Dear Parents and Friends,

Having interviewed Year 5 applicants for the role of School Captain in 2015, we are pleased and impressed with the maturity and sincerity of all their presentations. Each applicant clearly showed that they had thought carefully about the role, and each had very clear ideas about their ability to carry it out. A notable feature was that each applicant wanted very much to make their families proud. Thank you to all those families who supported their child in their application. You can be very proud of each one, and if their attitude carries through we will have an excellent Year 6 in 2016. The captains will be announced at the presentation day assembly.

We have finalised the program for Presentation Day and the details are inside.

Every day we are grateful for our beautiful school and our wonderfully supportive community. Our children are indeed fortunate to live in such a glorious environment.

We are also especially grateful for air conditioning!

"As a child, one has that magical capacity to move among the many eras of the earth; to see the land as an animal does; to experience the sky from the perspective of a flower or a bee; to feel the earth quiver and breathe beneath us; to know a hundred different smells of mud and listen unself- consciously to the sighing of the trees." - Valerie Andrews, *A Passion for this Earth*
