SCHOOL NEWSLETTER TERM 1, WEEK 5

23.2.15

Dear Parents and Friends,

Every day our students look brilliant in their wonderful school uniform. Parents are to be congratulated for achieving consistently high standards in uniform presentation! Our students love their uniform and wear it proudly.

Our students mostly bring very healthy food with them to school, and we are pleased to be able to offer healthy options in our school canteen. It is also very pleasing to see our students participate in our crunch and sip program by bringing fruit to eat during the morning. Parents are usually very generous in the lunch servings that they provide for their children. Some of our students get through their food very quickly, while some of our students are quite slow eaters, and don't get much time to play by the time they finish their food. It can be useful to consult regularly with your child as to whether there is enough food or whether there is too much. Appetites can change quickly during the growing years, and according to influences such as the weather or the burning need to play handball! Some children need large amounts of food at school, while others thrive on less. One thing is true; almost all children are starving when they get home!

"When I eat with my friends, it is a moment of real pleasure, when I really enjoy my life." - Monica Bellucci

SCHOOLS ARE OUR FUTURE WATCH OVER THEM

Neighbourhood Watch looks outside the square when it comes to personal, home, and car safety. About three years ago we noted that some schools had suffered malicious damage, fire, and other issues. The outcome of this observation was that NHW and the community could work together to carry out a very simple exercise, with our schools also playing their part.

The simple answer to this problem was to invite all members of the community to lend a hand in this direction, keep a watch on your local school after hours, during school holidays, and any other time when school is closed. Should you see any person or persons on school grounds acting suspiciously. Call the local police immediately on 0755360999 or in an emergency 000.
