SCHOOL NEWSLETTER TERM 2, WEEK 8

15.6.16

Dear Parents and Friends,

Miss Curby has guided Years 3, 4, 5 and 6 in a very interesting research project which had our students finding out all sorts of amazing information about Canada. Along the way they learned how to prepare for the task, organise information and present it in an interesting and attractive way. Learning how to find reliable information from safe websites was a key component of the project. The finished works are on display in the library for family and friends to view. Well done boys and girls and Miss Curby!
