**9.8.16**

**Dear Parents and Friends,**

With so much activity it is lovely to settle in to some regular school routines over the next few weeks before things get exciting again with all sorts of special events. Ball Games, Multicultural Day, swimming scheme will all keep us busy.

There have been some nasty bugs and viruses around lately that have been taking their toll on our school community. We are grateful for our parents who keep sick children at home and who pick them up promptly when they fall ill at school. No one can work well when they are sick, and quiet rest at home is the best way to a full recovery. Let's hope that Spring will bring a fresh change of air and sweep away all the nasties.
