SCHOOL NEWSLETTER TERM 3, WEEK 5

16.8.16

Dear Parents and Friends,

As the weather begins to warm up we are reminding the children about the necessity of wearing a hat at school every day. It is department of Education Policy that every student in a NSW Primary School must wear an appropriate uniform hat while outdoors. We all understand that it is a small but important responsibility that the children must learn, to be able to locate their hat and wear it whenever it is required. Please encourage them to search out missing hats and ensure that they are in school bags each school day. We must protect their young skin now. Melanoma is the most common cancer in young Australians aged 13–24, accounting for more than 25% of cancer cases, and the highest incidence of melanoma anywhere in the world among this age group.

"Sun protection is just as important for secondary students as it is for primary school students, as school hours fall within the middle of the day when the sun's ultraviolet (UV) levels peak.

"Making hats part of all school routines – no matter the year level – is the next step in ensuring we help support a truly SunSmart generation. A broad-brimmed hat would help to protect student's young, delicate skin on their face, ears and neck from UV damage." - SunSmart Youth and Advocacy Co-ordinator Jane Hill

Swimming Scheme

Invitation and permission note were sent home to all Years 2/3/4 students to participate in the 10 days Intensive Swimming Scheme. The cost is \$50.00 per child thanks to the generosity of our P & C who will be subsidising for majority of the bus. We are extending this invitation to any Years 5 and 6 students who wish to participate. Years 5 and 6 students who wish to participate can obtain permission note from the office.
