**SCHOOL NEWSLETTER TERM 4, WEEK 5**

**8.11.17**

**Dear Parents and Friends,**

After a busy and exciting start to the term we are all happy to settle back into our established learning routines in the classroom. All students are enjoying maths activities and accessing "Maths Seeds" and "Matific" to support and consolidate their understanding. Teachers are preparing to comment on student progress in the Semester Two student reports which will be sent home by the end of term.

Later this term we will celebrate the memory of our friend, teacher and colleague Barbara Commens who lost her battle with cancer last year. Friends, family, past and present students are all invited and we ask that our school community please spread the word to everyone who might be interested. Details are included in this newsletter.

November**

Our senior students will be leaving for camp in less than two weeks. There are notes accompanying today's newsletter for our campers. Students with a full set of permission and medical notes, please complete and return them to school as soon as possible. Students who

have already completed and returned their notes will receive a reminder note of 'What to bring'. The final instalment of \$75.00 or have your camp fees fully paid by Friday 17 November.

### **Running Club**

Miss Curby will be starting a Running Club up on this Thursday 9 November at 8.45am. The Runner's Club will be open to all school children who are enthusiastic about improving their running ability. We will meet each Thursday morning at 8.45am and our focus until the end of the year will be long distance running in preparation to Cross Country early next year.
