SCHOOL NEWSLETTER TERM 1, WEEK 5

22.2.17

Dear Parents and Friends,

Our beautiful school grounds are well loved and highly regarded by our school and our community. They are an object of envy by many visiting teachers and students. We are excited that some of our planned improvements will begin soon. The first of these is some construction work on the verandah of the senior classroom. Some timbers and flooring has suffered water damage over the years and will be replaced. This area will be fenced off for safety while work is in progress. No doubt many of our students will find the process very interesting!

"I pay a lot of attention to how things are done and the whole activity of building something is interesting." - Donald Judd

Important Skills

An essential piece of information is knowing your name. The United Nations Charter for the Rights of the Child has declared the right to a name as the first right of any child. But does your child know their full name? Can they write it? Are they able to spell it correctly? Encourage your child to practice saying it and writing it. Talk to them about why they have that name. What is its significance? Know this about yourself is very valuable, and writing it correctly is an essential and potentially life-saving skill.

We were offered a fundraising opportunity catering for the Tweed Valley Equestrian Group at the Murwillumbah Showground.
