SCHOOL NEWSLETTER TERM 2, WEEK 7 6.6.17

Dear Parents and Friends,

We are into the sixth month of the year already and it is prime learning time. Our students are keen and excited to learn, so it is a shame when illness strikes. At school we encourage healthy habits such as using tissues, covering coughs and sneezes with elbows, and washing hands as needed, especially before eating. We discourage sharing food because it usually also shares germs, and can often cause disagreements. Nevertheless, colds and other viruses spread quickly at school despite all our best efforts. Sick children are happiest at home and recover faster away from school. We all want our children to be well and happy so they can thrive and learn all they can. As training for the athletics carnival continues, we sometimes are told about sore ankles and mysterious illnesses just as the running starts. We strongly encourage all students to participate in physical exercise, but if they really cannot be allowed to run, a short note to that effect would be very helpful.

"A healthy attitude is contagious but don't wait to catch it from others. Be a carrier." - Tom Stoppard
