**SCHOOL NEWSLETTER TERM 1, WEEK 2**

**6.2.18**

**Dear Parents and Friends,**

We are delighted with how well our students are settling in to the school routine for the new school year. Play times are positive and fun and everyone is trying to be fair and friendly. Classrooms are humming with activity as students strive to learn all they can. Several of our students showed signs of being very tired by the end of the week, and this can adversely affect their school achievement and happiness. A few early nights can work wonders (for all of us!) Teachers are busily making initial assessments of all our students and will soon be ready to hold those all-important parent-teacher interviews. We find it useful to meet with parents early to discuss learning needs and goals for our students; and then use that discussion to formulate a learning plan for each student for the rest of the year. Information regarding appointment times and bookings will be sent home soon.

## **Voluntary School Contribution**

Our voluntary school contributions are payable now. There has been a rise in cost for the first time in over 10 years. The cost for 2018 is \$47 per student, or \$70.50 per family. Money raised in this way is used to subsidise the cost of exercise books, text books and other items issued without charge to students.

## Permission Notes

There were a series of notes sent home in week 1's newsletter. Please complete them and send them back to school as soon as possible so we can update your records. Any change of personal details through the year, please notify the school as soon as possible. It is very important that the school has your current details for emergency purposes.

A second copy of these notes are being sent home again this week to families who have not yet return their notes. Please attend to these notes as soon as possible and return them to school. We need to update our records and the scripture teachers need to be notified of our numbers attending scripture.

## Small School Swimming Carnival Trials

All the best to these students who will be representing Tyalgum School in the Small School Swimming Trials tomorrow. Good luck to Joshua, Noah, Charlie, Angus, Kiahn, Declan M, Jacob T and Lucas.

## Coles Sports for Schools

Tyalgum School has registered for the Coles Sports for School. When you shop at Coles as from tomorrow, every \$10.00 you spend will receive one Sports for Schools voucher. Collect as many as possible and bring them to school. This will go towards our school's tally to help order sports equipment. Please encourage your family and friends to collect them for our school.

### **INFORMATION FOR SCHOOL WATCH 2018.**

There has been a lot said lately about Cyber Bulling as well as physical, in fact in Queensland recently a young student took her own life over this terrible practice. We remind all concerned that should anybody be affected by any type of harassment it should be reported to parents, teachers, and if necessary the School Liaison Police Officer at Tweed Police Station.

Another reminder, when travelling to and from school always try and walk with friends. There is safety in numbers, as we all know students walking alone you need to be vigilant. Remember if you are approached yell as loudly as you can and report the incident immediately.

**These are just a couple of reminders that are very important from School Watch/Neighbourhood Watch about safety for our children and we ask all concerned to make sure our young people are very much aware of these issues.**
