SCHOOL NEWSLETTER TERM 1, WEEK 3

13.2.18

Dear Parents and Friends,

We consider ourselves very fortunate to attend such a beautiful school and at the moment we are very grateful for the luxury of air conditioning in every classroom. Our students love to play in our gardens and grounds, but today at lunchtime it was so hot that many chose the option to enjoy quiet play indoors. Each classroom has a small fridge which students can access to keep their water bottles cool. All students must wear a hat to play in the sun, but can play under the shade structures if they have forgotten their hat. We anticipate that our students will tire more easily in this weather, so we hope that everyone enjoys quality rest at night.

Very soon we will have tradespeople in our grounds as anticipated major repairs take place. The K/1 building roof will be replaced; the toilet block guttering will be renewed and the learning centre verandah will be replaced before roofing repairs commence on that building. At times, certain sections of the grounds will be closed off with security fencing, but access to the school will always be available. Everyone is advised to take extra care while the works are in progress. The anticipated start date is in early March.

"Deep summer is when laziness finds respectability." - Sam Keen

Mrs Cloherty

Voluntary School Contribution

Our voluntary school contributions are payable now. There has been a rise in cost for the first time in over 10 years. The cost for 2018 is \$47 per student, or \$70.50 per family. Money raised in this way is used to subsidise the cost of exercise books, text books and other items issued without charge to students.

Permission Notes

There were a series of notes sent home in week 1's newsletter. Please complete them and send them back to school as soon as possible so we can update your records. Any change of personal details through the year, please notify the school as soon as possible. It is very important that the school has your current details for emergency purposes.

A second set of notes have been sent home with this week's newsletter to families who have not yet returned their notes.

Small School Swimming Carnival Trials

Well done to our swimmers who swam their best. Some of our swimmers came in second, third and even first place. Our school placed a tied 4th with Fingal Heads PS in the overall point score for the day. Congratulations to Angus who qualified to participate in the Murwillumbah District Carnival this Friday. Thank you to our parents who helped with transportation and keeping an eye out for our children on the day and Mr Curby who represented our school in adjudicating. Good luck on Friday, Angus!!

Assembly Achievers

Congratulations to these students who received a Principal's Award during last week's assembly:- Kaelyn, Lilly-Rose, Isaac, Brayden, Summer and Joshua. Well done!

Assembly

Year 5 will be hosting our assembly this Friday. Everyone is welcome, commencing at 2.45pm in the school library.

Coles Sports for Schools

It is now up and running. Tyalgum School has registered for the Coles Sports for School. When you shop at Coles, every \$10.00 you spend will receive one Sports for Schools voucher. Collect as many as possible and bring them to school. Tyalgum School also has a box outside Coles Murwillumbah for you to put your vouchers in. This will go towards our school's tally to help order sports equipment. Please encourage your family and friends to collect them for our school.

Wanted

Miss Curby is currently making a car and dinosaur garden for children to use at school. She is looking for any unwanted car, tractor, dinosaur, farm/farm animal toys that people are willing to donate to the school. If you have any unwanted toys that fit the description please send them in.

What's On!! Term 1, 2018
