Principal's Message

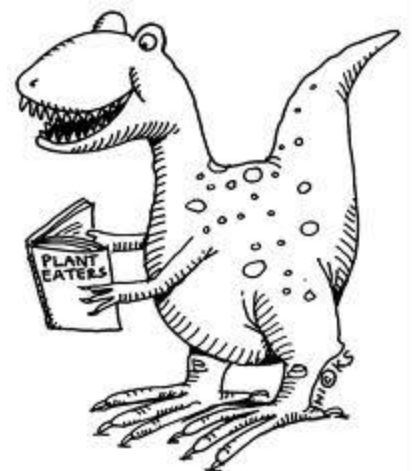

Dear Parents and Friends,

Our newest (and most important) school members in Kindergarten are settling in well to the routines of school. They have written books, made a music video and read to the whole school in assembly. We are so proud of the great start they have made to their school career! With stormy weather about, we become more aware of the possibility that parents and carers may need to be contacted in the event of a weather emergency. Personal information forms with requests for current contact numbers were sent home earlier this term. Thank you to those parents and carers who have returned these forms. Please check with the school office if you are not sure that your contact details are up to date and correct.

Sometimes our young people have to deal with health issues which may require medication to be held or administered at school. For Health and Safety reasons, it is vital that the paperwork is correct and up to date. Even over the counter medication needs to be recorded with a written plan and kept safe. Please check with the office if you are uncertain about the requirements for your child.
