SCHOOL NEWSLETTER TERM 2, WEEK 2

8.5.18

Dear Parents and Friends,

As the weather becomes cooler it is time to check that all school jackets and jumpers are clearly labelled so that misplaced items can be easily returned. Vanishing coats have usually just gone home in the wrong bag or have been left in a forgotten spot. Having a clear name or unique identifying mark means that lost articles can quickly be returned to their rightful owners.

We have had a positive reaction to our homework plan, and responses are still arriving. We are looking forward to getting started, but we will wait until Week 4 when NAPLAN Testing is finished. As a strategy we would like all our students to focus on feeling positive, eating well and getting plenty of rest in the approach to testing week and during the week itself.

Having fun and finding time to relax is important for all of us, including our children.

Voluntary School Contribution

Our voluntary school contributions are payable now. There has been a rise in cost for the first time in over 10 years. The cost for 2018 is \$47 per student, or \$70.50 per family. Money raised in this way is used to subsidise the cost of exercise books, text books and other items issued without charge to students.

Murwillumbah District Cross Country

Students who qualified for the PSSA Murwillumbah District cross country have received their permission notes. The event will take place on Wednesday the 23rd of May at the Murwillumbah High School oval.
