**Dear Parents and Friends,**

Congratulations to all our students who represented our school, as well as the Tweed Small Schools at the District Cross Country. Miss Curby is very pleased by the results which show a significant whole group improvement in final placings. We are confident that our regular running sessions are playing a part by building and maintaining our students' fitness. We are excited for our students who have qualified to compete at the next level. Years 3, 4, 5 and 6 have today taken the opportunity to see a display of selected artefacts from the collections held at the State Library of NSW. These artefacts have been brought from Sydney to rural schools and we travelled to Crystal Creek PS along with Chillingham PS. Our students were very interested in the exhibits and had a great deal of questions. No doubt parents and carers will hear all about it this evening. Who knows how many budding historians we have amongst us?
