SCHOOL NEWSLETTER TERM 4, WEEK 1

16.10.18

Dear Parents and Friends,

Welcome back to Term 4! We trust that everyone enjoyed a relaxing and rejuvenating break. Term 4 always moves very quickly with lots of exciting things happening.

One of those exciting things is that we will get to meet our Kindergarten students for next year.

On Wednesday morning this week, the first of our planned two information meetings for parents and caregivers of children entering Kindergarten in 2019 will be held at 9.30am. Parents and caregivers will be given the opportunity to meet each other and have a tour of the school. A brief overview of the orientation program will be given and there will be the opportunity to ask questions. We hope to see lots of our new Kindy parents there.

The much needed rain has been delightful, and as often happens, we get a lot of it at once. At times like this we like to remind ourselves of our emergency plans and make sure that we know how to implement them should we need to. Parents and caregivers are reminded to check that our school office holds your most reliable contact numbers. We also need to know who to contact if we can't reach you. Trusted friends and neighbours may agree to act as emergency caregivers if necessary, but please always inform the school office of your arrangements.

"Sometimes we should express our gratitude for the small and simple things like the scent of the rain, the taste of your favorite food, or the sound of a loved one's voice." - Joseph B. Wirthlin
